OUR LEADER
MANOJ KUMAR KHERA
Managing Director

The journey of excellence started in the year 1997 with inception. Since then, Columbus Public School has been on a continuous stride northwards. This has only been made possible due to the dedicated and sincere efforts of all employees, and the remarkable support we have received from our valuable parents. We at Columbus provide holistic education to transform students into self-motivated and creative individuals ready to face the challenges of life confidently.

Our energetic team is committed in providing an environment that is conducive and encouraging for every student to explore and grow, shattering all the glass ceilings with endless opportunities. Our consistent endeavours provide the latest and best to our students keeping abreast with the relevant global educational approach and requirements.

Our prime focus is to equip our students with 21st century skills, technological supremacy and integrate it with values and cultural legacy. We are on a voyage to establish a quality-conscious school where modernity is fortified by tradition, success is strengthened by ethics and excellence is driven by values.

We are constantly improving our physical infrastructure to enhance the learning experience of the future architects of our country. We shall continue to generate progressive and innovative thoughts to empower our education system to provide a qualitative and memorable journey that will ensure every child to strike deeper and fly higher.

OUR NAVIGATOR
MANOJ KUMAR
Principal

Columbus Public School is a place where students learn, prepare for life, grow and develop into smart individuals. On one end, academics help students to acquire knowledge and develop a strong ethic, and on the other end co-scholastic events help in holistic development of students. In the contemporary world where education is student centric, teachers and parents play a vital role to achieve the desired growth in students. There is no better booster than motivation, inspiration and recognition of hard work. We also lay emphasis to develop 21st century skills, which include critical thinking, creative thinking, problem solving, metacognition, collaboration, communication and global perspective. These skills are tools that can be universally applied to enhance ways of thinking, learning, working and living in the world. They lead to a level that converts a potential student into a future leader.

We, at Columbus Public School, are aware of our responsibilities and the trust placed in us by our parents and students. We strive to create a stimulating, conducive, inclusive environment for every student by promoting curiosity over compliance and questioning over quiet. Our aim is to empower our students to become global citizens by providing them a roadmap for a better life by identifying their talents and developing their potentials.

Education is and always will be a challenging enterprise but I am confident that together we can overcome every challenge and help our Columbians to become self-aware, resilient and confident citizens prepared to take on the world and win.

ABOUT SCHOOL

Run and managed by Columbus Shiksha Prasar Samiti, Rudrapur the school came into existence on 7th April 1997 with an objective to provide a unique learning approach that draws the best from contemporary educational ideals.

Affiliated to CBSE, with Humanities (Arts), Commerce and Science Streams at the +2 level, the school aims at preparing the students for attaining academic excellence and encouraging a free expression of their inborn talents coupled with their acquired skills in terms of performance in various fields of activities that the school opens to them.

Believing that character formation and personality development are the core of any sound education system, great stress is laid on forming in students habits of modesty, virtue, discipline and self- efficiency; grooming them into responsible human beings.

The school today is ranked among the best CBSE schools in the town and around. With continuous and exemplary progress shown over the past quarter of a century, the school is sailing on an endless journey of success.

SCHOOL MOTTO

GLORIA IN EXCELSIS

"Glory in the highest"

The word glory is synonym to brilliance, eminence, fame, honour and refulgence. Keeping the school motto embedded deep in their heart, mind and soul; the Columbians believe in living with Glory – **"Glory in the Highest"**.

The Columbians live their portals with glory, as people of honour, capable of competing with integrity and success at any level and always striving to uphold the motto of the school in their public and personal lives.

**The motto of the school is written in prime on the school insignia.
The motto of the school is embedded deep in the heart of every Columbian.**

MISSION STATEMENT

The mission of the school is to achieve & maintain the highest standards of excellence in its programme of total education by imparting quality education imbued with Indian cultural values, high standards of discipline and good moral values.

The school aims that the young should live their portals as people of honour, capable of competing with integrity and success at every level and always striving to uphold the motto of their school in their public and personal lives.

It wishes to empower Columbians rooted in India's heritage to live as committed and good human beings contributing positively to the society and their motherland.

VISION STATEMENT

We strive to prepare our students as per NEP-2020 to become confident, skillful and responsible global citizens to face contemporary challenges, and simultaneously prepare for the future. Our prime focus is to provide a very conducive learning & caring environment to promote cognitive and social skills for a bright future of the students.

FACILITIES

Fully Equipped Laboratories

We have well equipped labs in the school, where students experience experimentally the information required in theory. All the required facilities are provided to our young scientists to meet the curriculum demands under the care and guidance of our expert faculties and well trained lab assistants. Besides being well equipped, the labs are safe, spacious, airy, and well organised.

Library

The library has an assortment enriched with books of various tastes, work of great figures, English & Hindi literature, journals, magazines, comics, newspapers, career information brochures that capture the imagination of students, reconfirm their facts and open newer doors of intellect. A wide collection of reference books to tempt any avid reader are carefully chosen and made available to the students.

Audio-Visual Classrooms

To cater to the need of students, the school has created five special air conditioned classrooms spread over various wings of the campus equipped with e-learning facilities such as digital smart board, LCD projector, computer etc. The school has entered into a long term contract with a leading e-learning service provider of the country, M/s Next Education Pvt. Ltd.

Dance, Music & Theatre

Dance, Music & Theatre classes are conducted in school on a regular basis. The school has fully-equipped separate dance, music & theatre rooms. The children are taught to sing and trained to play Harmonium, Synthesiser, Tabla, Drums, Orchestra, Octapad, Dholki & Flute etc. Our well trained dance faculty trains students in various forms of dances. We develop children's personality and imagination through theatre as it engages students with their creative side of the mind.

National Cadet Corps (Air)

A sub unit of NCC (Air) under 1 UK Air SQN NCC was inducted in Columbus Public School in the year 2019. The NCC aims at developing character, comradeship, discipline and a secular outlook among students. NCC Cadets are exposed to various activities such as parade, aircraft flying sorties, aero modelling, simulation, vayu camps, range firing, cultural activities, cleanliness drives, blood donation camps, plogging, social service as part of their two-year A-certificate programme.

Games & Sports

The sprawling play ground is a hallmark of Columbus Public School. CPS believes that children need physical activities as much as they need high academic achievements to ensure synchronous physical, emotional, intellectual and academic growth. Students get opportunity not only to play but excel in various sports such as Basketball, Badminton, Volleyball, Table-Tennis, Chess, Cricket, Kho-Kho, Kabaddi and Handball etc. Athletics is also given due importance. The school also has a splash pool for the tiny tots where the kids can explore their swimming talent and learn the basics of the sport.

Art & Craft

Art, Craft and Work Education are a part of the formal curriculum. A spacious and well decorated Art and Craft Room is available to explore and polish the creative and artistic skills of the children. Beautiful items made from waste material like paper, straws, egg shells, ice-cream sticks, old cloth etc are exhibited here. The room also exhibits beautiful art works, paintings and collage work of the young talents of the school.

Auditorium

With a seating capacity of over 250, the auditorium plays a vital role in the daily routine of the school. It bears witness to the solemnity of the various cultural and creative activities such as dramatics, music, debates as well as entertainment events regularly organized here. Many activities and competitions are organised to cater and hone the skills of the students.

CCTV & GPS Enabled Transport

The school has large fleet of well-maintained school buses. The school follows all safety and security measures as per the guidelines provided by the government which includes provision for CCTV cameras, GPS, fire-fighting equipment etc. The fleet of buses is run by a team of well-trained drivers and conductors, fulfilling all requisite criteria.

Online ERP System

We use one of the most advanced and user-friendly School ERP Software powered by Franciscan Solutions Pvt. Ltd. for managing various school activities. This School ERP system ensures streamlined administrative processes like payroll, attendance, marks-manager, online fee payment, e-learning, and a lot more. Parents are provided with an interactive mobile app to allow free and anytime access to information about their child.

House System

The House system aims to give students an identity and sense of pride in a supportive and secure environment. The House System promotes positive competition and helps develop a closer rapport between students and teachers. It provides opportunities for all-round development of the students through numerous activities and inter-house competitions. It not only helps the children to develop leadership qualities, self-confidence, teamwork, cooperation and competitive spirit, but also imbibes good moral and social values.

The students are allocated one of the four Houses:

Nehru House | Subhash House | Gandhi House | Tagore House

Student Parliament

The Student Parliament, led by the Head Boy and the Head Girl, is a forum comprising student leaders representing all the four Houses viz., House Captains, Vice Captains, Sports Prefects, Activity Prefects, Middle Wing Prefects and Primary Wing Prefects. The Student Parliament is an important forum for students to develop leadership qualities.

Safety & Security

The school campus has been built according to the safety code as specified. Specific emergency-related practice drills are regularly conducted for the students and the staff. The whole school is under CCTV surveillance (24X7 hours). There is a strict supervision at all entry points, and access is restricted. Guards are placed at all entry and exit points.

Future Projects

Robotics Lab : The Robotics Lab will aim at enabling the students remain abreast with the advancement in technology; and fill the young learners' minds with curiosity, creativity, logic and desire to discover. It will be well equipped with latest electronic gadgets required for designing and implementing the Robotics System.

Sports Academy : The School is planning to open a sports academy in order to enhance its sports infrastructure by adding more sports facilities. The academy will serve to boost self-confidence of students, improve their fitness, develop sportsmanship, and raise them to higher platforms of competitive sports.
